

METROPOLITAN AIR TECHNOLOGY (MAT)

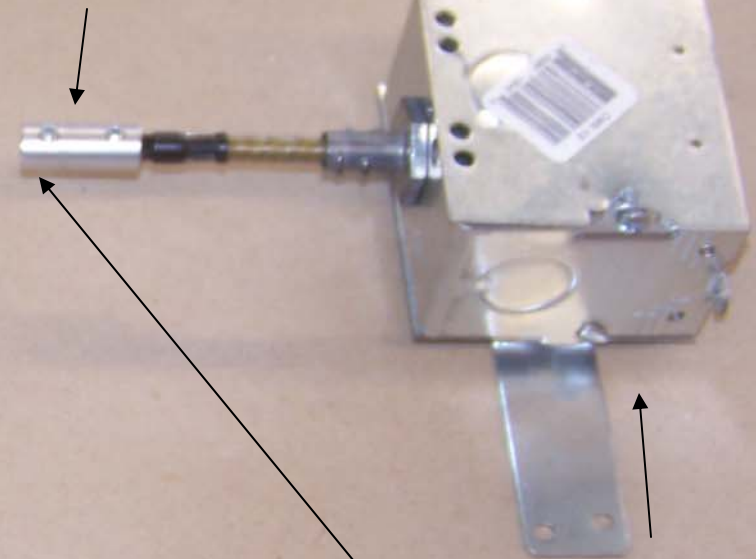

- APPLICATION EXAMPLE FOR BULK CABLE CUT IN THE FIELD

Field Cut Cable End added to RT-WGA

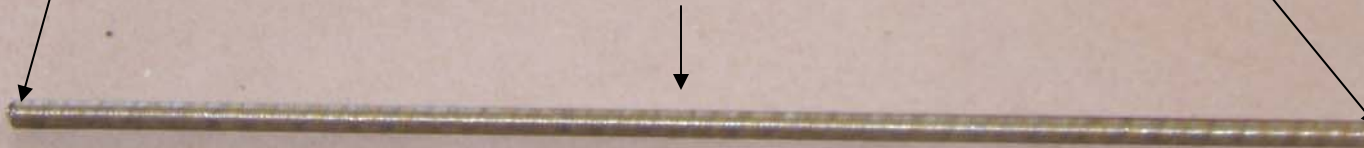

RT-WGA
(Worm Gear Assy)

Modified Coupling added
to RT-CCS

RT-CCS (or other
Ceiling Cup)

Field Cut Cable with raw ends

MAT can custom assemble certain products in the factory to allow cable lengths to be cut in the field from bulk cable. This example illustrates the modifications that can be made to our Worm Gear Assy (RT-WGA) and Rectangular Ceiling Cup (RT-CCS).
