

SMARTLY ENGINEERED PRODUCTS. RE-ENGINEERED PROCESS.

# Faster Lead Times for RT-250

We've re-tooled our manufacturing process to get the RT-250 in your hands quicker!

Our 6", 8", 10", and 12" RT-250 round dampers as well as our RT-WGA damper drive systems are in stock and ready to ship.

This [one-piece cable drive system](#) is installed outside the air stream with damper adjustment at a small access point in the ceiling or wall.

Adjust the damper via rotary cable actuation using a nut driver or flat head screwdriver.
